OUR RIDES

During our standard “riding season”, the rides are scheduled twice a week. In hotter months, we may reduce the ride frequency to one evening ride a week.

Times and dates are published on the Chapter’s [Facebook page](#) and [Whatsapp group](#). All H.O.G. rides are conducted within a set of ‘Riding Rules’ to prioritize safety standards for everyone. In every instance a ‘Road Captain’ is appointed to lead the ride and a “Sweeper” (at the back) is responsible for securing the roads. Additional crew like the Safety Officer and Road Marshals can help new members get accustomed to group riding and assist in case of breakdowns. Overnight rides are also planned throughout the year within the UAE and across the borders. The ride starts from the same [ADNOC petrol station](#).
